DEDICATION

This year's annual is dedicated to the Senior Class of 1959. This class was the first to benefit from the many new improvements and changes in the school. The class itself is composed of a well-qualified group of pupils who plan to work in many fields; as engineers, nurses, lawyers, farmers, and teachers. They will become top flight citizens in all the communities in which they settle and while many great achievements are expected of them, none of the achievements are beyond their grasp. May we say "Hats off to you, Seniors of 1959" for your past work and may the best be coming to you in your future work.

PRINCIPAL'S MESSAGE

In this rapidly moving era of life we sometimes feel insecure and lost. We need not be. One should focus his or her vision on a high level. If we don't reach the top, but just under that goal in all of our endeavors, then all is not in vain. This is experience which can never be taken away from us. The top rung of any ladder can be occupied by just a few individuals. If one keeps working toward a goal long enough, he or she can succeed. There are many sacrifices to be made and one will encounter many failures and sometimes disappointments—however, these are but enrichments for our lives. Don't give up.

SCHOOL BOARD

Pictured are the School Board members who served during the second semester of the school year. Mr. Berning, who retired at the end of the first semester, was replaced by Mr. Griebel. From left to right they are: Mr. King, Mr. Reynolds, Mr. Lybarger, Mr. Franke, and Mr. Griebel.

CLERK

Mrs. Dorothy Holle, our school's capable clerk, is always ready to lend a helping hand and brighten everyone's day with her friendly smile and cheerful personality.

The Administrative Staff, Mr. Justice, Mr. Arnold, and Mrs. Houk, assists the principal, Mr. Lowes, in the various functions of school operation.

CLASS SPONSORS AND OFFICERS

Mrs. Finnell, Grotrian, Luginbill, Hockemeyer, Wietfeldt

We, the class of '59, have now completed our four year high school voyage. We entered the Freshman Class as apprentice seamen with anticipation of the years of high school ahead. As the years progressed, we made many lasting friendships and collected memories we will never forget. Through the education we have received from the capable teachers and the fine facilities here at Hoagland, we hope to utilize this learning and these accomplishments so that we can face our responsibilities on the sea of life with determination and enthusiasm in order to live up to the highest expectations of even the most ardent critic.

CHOIR

The choir consists of 58 members from the Sophomore, Junior, and Senior class. Some of the various activities the choir participated in during the year were the Christmas program, County Music Festival, concerts, Baccalaureate, and Commencement. The choir did an excellent job under the fine direction of Mr. Meyers and the accompaniment of Janet Roth.

BAND

The band, under the direction of Mr. Myers, has had a very successful year. The band received new uniforms through much hard work and the cooperation of the band parents. The first public appearance of the band was at the Decatur Halloween Parade where the band won third prize in competition with high school bands from Northeastern Indiana. This was their first marching appearance since 1953. They provided entertainment at ball games, pep sessions, concerts, and special programs. The band is one of which the whole school may be proud.

20—	Pleasant Mills	85	35

The Hoagland Wildcats, coached by Mr. Mark Schoeff, after a mediocre start gained momentum and won 13 of their next 15 regularly scheduled games. Despite a heavy loss by graduation, which saw only two returning veterans, they finished their season with a 13 won 5 lost record. Mr. Schoeff, who came from Middletown, Indiana, took over the coaching reins at the beginning of the year and did a very commendable job.

In the Allen County Athletic Conference basketball race, Hoagland finished in second place tie and, with a few "breaks" at appropriate times, could have won the championship.

The reserve team, hampered also by lack of returning veterans, won the Churubusco reserve team tourney and compiled a better than .500 average by winning 10 of 18 games for the regularly scheduled season.

STUDENT MANAGERS

The unsung heroes of the basketball team may well be the Student Managers, Fred Hoffman, Lloyd Thompson, and Stan Webber. They have contributed much work and time in taking care of equipment and supporting the team.

Leading the student body in support of our team were these capable cheerleaders, Donnie Beerman, Sue Smola, and Marna Methany. Their many hours spent with the Booster Club produced a well-organized group of willing and able backers for the team.

USHERS

The ushers, who gave their able assistance and proved very helpful at all home games, were Charles Scott, Eugene Berning, Don Grodrian, Ken Short, and Dave Youse.

Minutes of the First Student Council Meeting

The first Student Council meeting was held in the auditorium on October 15th, 1947. Since there were no members present, the secretary then called the roll.

After this, Mr. Barrett spoke to the council. The Student Council is a representative governing body. The council we have now was organized in 1947. He also spoke of the council that they were not to lead a good council to have a good school.

Our new sponsor, Mr. Devin, spoke to the council. He suggested that we elect a parliamentarian in order. Mr. Devin also gave some rules on procedure.

Carol Moody moved that we elect a parliamentarian. It was voted upon and the motion carried. Harvey Katcher Kelly, and Carol Moody were nominated. Carol Moody was elected parliamentarian.

Carol Moody then moved that the council elect a public Swain Adams seconded the motion. The motion carried. Jo Deasle Lee Kingston, and Peggy Barnett were nominated. Carol Moody moved that nominations cease and Frank Joe seconded the motion. The council voted and Jo Ann Smith was elected parliamentarian.

The next business taken up was the letter from Knott High School concerning our Student Council. Swain Adams moved that a constitution and some laws be sent to the Knott High School. This was voted upon and the motion carried.

The secretary then read the letter from Knott High School. Carol Moody made the motion that we arrange a program for this school year. The motion was seconded. The council voted and the motion carried. The council then discussed the arrangements for the dance. Carol Moody and Swain Adams were elected to arrange the dance.

Organizations

To make a very impressive appearance at the basketball games, the Booster Club worked hard on different projects to make money for their vests, ties, and booster shirts. The club, under the direction of Mrs. Finnell, elected officers of Dianna Fryback, President; Sue Luginbill, Vice-President; Sandy Holle, Treasurer; Mary Hockemeyer, Secretary.

The Drivers Club, made up of all students driving to school, is working to improve safe driving measures around the school. The club is sponsored by Mr. Arnold with the able assistance of the officers, Lloyd Thompson, President, and Larry Ruble, Vice-President.

The Phy Ed Club was one of the many new clubs which were established this year. There were various activities in which the club participated. Dodge ball, weight lifting, calisthenics were some of the numerous activities in this club. Jack Disler is the advisor.

Decorating cakes, styling hair, making candles! These are some of the many different demonstrations the Home Ec Club enjoyed during the year. Mrs. Houk was the capable advisor with the following officers: Home Ec Co-Chairwomen, Marna Metheny and Janice Smith; Secretary, Marilyn Hockemeyer; Advisors, Judy Bergdall, Sandy Holle, and Elaine Scheumann.

HURRICANE STAFF

The Hurricane Staff, supervised by Mr. Justice and Mr. Arnold, published a monthly school paper. The staff consisted of the Senior typing classes. The Editor was Beverly Oehler and she was helped by Odelia Beckman, Assistant Editor.

Another of this year's newly organized clubs is the Science Club. It was directed by Mr. Powell and Mrs. Smith. The members chose to refer to themselves as the "Little Einsteins." Officers were: Paul Sorg, President; Dick Renninger, Vice-President; Sue Menze, Secretary and Treasurer; and Joan David, Historian and News Reporter.

The Industrial Arts Club was set up in order that the members could receive technical information over and beyond the regular shop work. The club is supervised by Mr. Rogers. Officers are: Joe Brinker, President; John Beckman, Vice-President; Cliff Franke, Secretary; and Pat Minnick, Treasurer.

The Future Farmers of America Club is composed of 58 members under the leadership of Mr. Headrick. The officers are: President, Lynn Grotian; Vice-President, Ralph Lehrman; Secretary, Lon Rebber; and Treasurer, Ken Krauss.
